Description

Hi my name is Ashley Ortegel. I have raised animals for Tokay FFA for 2 years now. I have put a lot of time and effort into my market lamb such as, exercising, working and feeding. My lamb weights 125 pounds. I have spent a total of \$550 on my lamb. My plan is to payback my F&M Bank loan and to also save for my college education. My dream is to go to Arizona State University. I would love and appreciate your support at the online auctions.
