Description

My name is Michael. I am thirteen years old. This is my 4th year in 4h and my 1st year doing a market lamb. My market lamb is named meatloaf. He is a Suffolk/Southdown Babydoll cross. I walk him every day and feed him around 4 pounds a day while he stands on a cinder block to gain back leg muscles. He was born on March 6th, 2025 on our family farm. One thing I would do differently would be to have bred his dam and sire earlier to give me more time to work with my lamb. I have learned a lot about helping my lamb gain muscle this year. I hope you consider purchasing my lamb! Thank you.
