Description

My name is Madison Schneider and this is my first year being a member of the Tokay FFA. This is also my first year raising a market goat for the San Joaquin Ag Fest. On May 25, my market goat weighed 86 pounds. Throughout the time doing my project, I have worked hard to exercise, feed, and care for my goat to get him ready for the fair. Each week, I have spent roughly 8 hours working with my goat. So far, I have spent around \$600 for my project. With the proceeds I earn from this project, I plan to use it for college expenses, which I plan to major in either nursing or kinesiology. I would really appreciate your support in purchasing my goat. Thank you!
