City Simla

Animal Weight (in Pounds) 102

Description

My name is Laina Offutt and this is my 5th year in 4h. This is my second year showing market goats. I have spent all summer preparing for fair by spending time exercising, training, and keeping my goats healthy to provide quality meat for consumers. I am so grateful to be a part of such a great program where I have learned so much about the importance of livestock husbandry. I am excited to share my final product with others.
