Description

My name is Emily Pires and this is my 2nd year in 4H, but my first year to show a pig. I learned a lot about showing a pig from my older sister and brother. I decided this year that I wanted to participate in the pig project. I want to tell you a little about me. I am 10 years old and will be going into 5th grade at St. Anthony's School. I enjoy playing basketball, soccer, and volleyball. I love to draw and do crafts. I am the little queen for the MRPS Portuguese Hall, but unfortunately I have to wait until next year to march because of the COVID-19. I am also involved with the Portuguese Luso dance group.

My pig's name is Blossom. I named her Blossom because I knew she was going to blossom into a nice, tasty pig. My pig is a Berkshire and she is feisty. She loves to eat, run around, and she loves to get her belly rubbed. I have learned a lot this last year in raising pigs. I have learned about different breeds of pigs. I learned how to clean my pen and feed my pig. I have learned about the money it has taken to buy the pig and the pig feed. It was a nice surprise to find out that I placed second in my class for market this year.

This year is different, and I am sad that I don't get to participate in the full week of Agfest at the fairgrounds. I am looking for someone to purchase my pig at the Ag Fest Online Auction. The money I raise from the auction will go to help pay for my project next year and I want to put the money in my savings account.

I love to tell jokes, so here is one for you: "What do you get when you play tug a war with a pig?" - The answer is "Pulled Pork".

I hope I made you laugh and I would love if you would bid on my pig. Thank you.
