### **Description**

Captain Jack Sparrow is 105 lbs. My name is Trinity Fulton, and this is my 10th year in 4H and 9th year showing market goats. I am going to be a senior at Limon High School in the fall. I have been active in 4H and FFA. I am serving as vice president of the Limon FFA Chapter with plans to run for Colorado State FFA office next summer. I have been showing goats since my second year in 4H and currently have a breeding flock of both commercial and registered does. I plan to continue showing in ABGA shows after my 4H career is finished. Thank you for supporting Elbert County 4H.

**Quantity:** 1
