## **Description**

Hello, my name is Tatum Gogna and I am a part of the Tokay FFA Chapter. I've been raising market goats for two years now and would love to continue it. I have invested a total of \$600 into my goat project this year and he weighed 95lbs as of May 25th. My goat also placed 4th in his weight class. I am currently serving as our FFA Chapter President and going on to serve again for this upcoming school year. I plan on using the proceeds to help further my education in the upcoming years to study Ag Education. I would greatly appreciate your support in purchasing my goat. Thank you!
