### **Description**

Hello, my name is Matthew Dyk and this is my steer, Remington! I am in the Farmington 4-H club and go to Ripon Christian Schools.

I have been working hard with my steer all year, taking him for walks and brushing him. We feed him a high quality feed that he has been consistently eating around 20 pounds per day with an average daily gain of 3.6 pounds. He will fill a freezer full of great, home grown meat!

Thank you so much for logging on and considering purchasing an animal!
