Description

I am a junior at Tracy High School and am a member of the Tracy FFA chapter. I have been involved in 4-H since 2012 and joined the FFA in 2017. My sister and I keep our pigs at my grandparents house where we built their pen from scratch. We have purchased our feed this year from Stanislaus Farm Supply. At the time of my video my pig weighed 245lbs. Throughout the experience I weighed my pig every other week in the beginning, then as it got closer to fair I would weigh it every week. Fair time is my favorite time of year because not only do I get to show off what I have worked hard for all year, I also get to enjoy the many activities agfest has to offer.
