Description

Meet Pete! Pete is the 2020 Agfest Reserve FFA Champion Steer! As a thank you for buying Pete, I will gift his buyer with a buyer's banner than can be proudly hung up to show they supported the 2020 Agfest Online Sale. I got Pete back in the month of October. He's a crossbred and he's extra spoiled. I rinse him twice a day and he lays under two fans on a soft bed of straw all day long, until I turn him out to pasture at night so he can graze and exercise. He eats about 18+ lbs of grain per day and he gets all the oat hay he wants. He certainly is market ready and I believe he will yield high quality steaks. This is my first steer project. I saved up all of my market lamb money to buy a steer project this year. My time with Pete has taught me patience, responsibility, and to always wear boots because somehow he has managed to step on my foot five times this month! As much as I love Pete, I know that he plays a crucial role in providing protein in our American food system and that is something I will always respect about him. Thank you!
