Description

This is my first year showing an animal at the Merced county fair and I had a great time. I began working with my heifer in January, and every Saturday since then. It has taken some work, but through my time and patience; I have taught her to walk and she is such a sweetheart now. By working with Shiloh, I have really grown a love for animals. I loved working with her. I love looking back at the beginning of the year and seeing how far we've come. I can't wait for her to make her new owner as happy as she made me.
