Description

My name is Addison Perry and I am in New Jerusalem 4-H. I have been involved in 4-H for the past 3 years. All three years I have been involved in the swine group. I purchased my pig in early February. My sister and I keep our pigs at our grandparent's house in a pen that we built. The feed I used this year was purchased from Stanislaus Farm Supply. When I first got my pig it was already on the heavy side so I knew that I would have to watch his weight. Since I had to keep a close eye on his weight I weighed my pig every other week but as fair time grew closer I weighed my pig more frequently. I hope that life will be back to normal in time for the 2021 AgFest.
