Description

Hello viewers!! My name is Mason Ehlers, This is my first year doing Market Rabbits. This I'm showing you is my Meat Pen (3 rabbits). New Zealand is the breed of all 3. I didn't name all of them but 1. His name is Peanut because he's the smallest and the most curious one out of all. When I got them they were tiny, once I fed them and took care of them, they started growing. I've been caring for these rabbits for 45+ days and watched them grow. Hope you bid on my Meat Pen.
