Description

My name is Amanda Freeman and I am from the Tokay FFA chapter. I am currently a junior and this is my third year in FFA. This year, I raised a market goat for the 2020 San Joaquin County AgFest. As of May 25th, my market goat weighed 91 pounds. Over the span of a few months, I have worked effectively and efficiently in caring for my goat. I have devoted 7-10 hours a week towards my animal, investing approximately \$600 into my project thus far. I plan to put the proceeds from this project towards upcoming Ag related events in the future, as well as college, where I plan to have an agriculture based major. I would greatly appreciate your support in purchasing my goat. Thank you for your consideration!
