Description

Meet Zeppeline!

He is a big suffolk cross, and he has quite the attitude. I was very frustrated with him at first because he was a difficult "child" but sooner or later i learned that all children learn differently. I soon realized that he works better with his best friend Beattle. Beattle belongs to a friend of mine, he is also a suffolk cross. This has been so rewarding because, he put up a challenge and that is the part I have enjoyed the most.
