### **Description**

Hi! My name is Kaylee Wyer and this is my 5th year in 4-H, and my 3rd year in the swine project. I have worked hard these past 6 months to make a high quality end project. I am very pleased with the quality of my hogs this year as I think they will produce great tasting meat! I am going into my freshman year of high school. Outside of 4-H I wrestle and play volleyball. All of the money I profit will go towards my future career and upcoming years projects.

**Quantity:** 252
