### **Description**

Hello and let me introduce myself: My name is Evan Guy and this is my 8th year in 4H. I appreciate the lessons that 4H teaches me and appreciative of all that it has done to help me ensure future success in my life. I want to tell you thank you for all of your efforts in helping not just me, but all of the 4H kids from Elbert County. We are very appreciative that we are in a county where so many people want to help us in our lives! Now for the most important part, my steer. I call him Po, aptly named as he has many resemblances to the Kung Fu Panda. He loves to eat and is fat! His official weight at weigh in was 1,411 pounds. He is going to dress a high percentage of body weight as he is not hidden by a bunch of hair. What you see is what you get! He is a meat and

potatoes type of steer. Sorry, but potatoes sold separately. He has lived and thrived in a stress free environment and is sure to stock your freezer with high quality meat for you and your family! I will be around all week and you can find me sitting next to him on sale day to answer any questions you may have. It would be my honor and privilege to get to know you and to have you purchase my steer. Thank you!
