### **Description**

Hello, my name is Lexi Guy and this is my 6th year in 4H. I love showing cattle and becoming best friends with my calves. I enjoy the process of taking them from a calf into a grown market steer and seeing the changes they go through both physically and mentally. I am very thankful that you are taking the time to help out all of the 4H kids in our county. We are truly blessed with all the support that people like you give to all of us year after year after year. Thank you for taking the time to check out my steer, JJ. JJ has been an over-achiever since the day I got him, always the first one to the bunk and the last one to leave! Whether you like brisket, t-bones, or hamburger- he is the one you want! His official weight at weigh in was 1,427 pounds. He has just

enough hair to look cool, but not enough to fool! This dude is gonna give you exactly what you are looking for- a return on your investment! I will be around all week so you don't have to wait to stop and see JJ and I, but there is no doubt I will be hanging out with him the day of the sale and it would be an honor and a privilege to meet you and answer any questions you may have before the sale on Saturday. Sincerely, Lexi Guy
