Description

Hi! My name is Qynnlee, and I'm 11 years old. This is my second year in 4-H and also my second year raising market turkeys. I'm a member of the Running Creek 4-H Club, and I've learned *so much* from this experience!

Raising turkeys takes a lot of hard work and responsibility. I make sure my turkeys have clean bedding, fresh food and water every day, and I even spend time just hanging out with them so they stay calm and friendly. It's been fun (and sometimes a little messy!) but I've really enjoyed watching them grow from little poults into big, healthy birds.

Through 4-H, I've learned about animal care, record keeping, and how to work hard towards a goal. I'm really proud of how much I've grown since last year, and I'm excited to show my turkey at the fair!

When you support youth like me by purchasing a market animal at the fair, you're not just getting a quality product—you're helping kids learn life skills, build confidence, and reach our goals. The money I earn goes toward future 4-H projects and saving for my future.

Thank you so much for considering supporting me and other 4-H members this year. I hope to see you at the Elbert County Fair!
