Description

This gilt is a product of a sow that Blayze artificially inseminated by herself last year from the Breeding Project. She was there from the minute that the gilts feet hit the floor. She has put in sweat and tears into this gilt and getting her where she is today. Out of the 9 piglets born, this was her favorite and very excited to have the opportunity to show her in the Jr. Market Sale here in Elbert County.

Quantity: 271
