Short Description Market Turkey

Description

Hi, my name is Sully and this Cutter and this is my turkey Young Boy. We earned 5th place this year! He is an Orlopp Bronze Broad Breasted tom and weighs 22 pounds. Orlopps are known for their high quality meat and good confirmation. They're from North America. The breed was born in 1935. I raised four turkeys this year and he's the only tom I had so I chose him for the sale. My turkey is really nice this year and he likes eating all of the big grubs and food. Please consider doing an add-on or bidding on my turkey at the auction on Saturday, August 2 at 1 PM at the Elbert County Fair! Thank you for your time!
