Description

Pork ribs, Pork chops, Boston butt, Sausage AND BACON! My name is Addison McWhorter and I am here to bring you the best raise pork around!

The Elbert County Jr. Market Sale is here. I encourage you to attend and support myself and all 4Hers selling a market animal.

This is my FINAL year in 4H. I've been blessed enough to do this for 11 years. Throughout my 4H career, I have raised several market animals at the local level, state level and national level. This year I am feeding market pigs and market steers. My 4H career is over but my drive is still there. I am going to college for nursing with the goal of working as a pediatric oncology nurse. It is definitely a trying field. I know that my lessons from 4H will help me succeed in my future.

Riki, Tiki D and Tres and I are coming to the fair for some fun and lasting memories. Please consider bidding on my livestock in the Jr. Auction or adding on a donation to help send me off...college is expensive! :) I appreciate any support I can get.

I hope to see you throughout the week and at the Elbert County Jr. Market Sale!
