Description

Hello! Meet my steer, Buster. Buster is a black angus cross. When I first met Buster he weighed 650 pounds. Now he weighs 1420 pounds!! I have spent a lot of time with Buster since last October when I first met him. Since October I have worked hard with Buster to make sure that he is a good steer and that he is easy to work with. I have learned a lot about commitment, finances and hard work from my project with Buster. You will see from the video what an amazing steer Buster has grown into! So muster up your courage and place a bid on Buster! Thank you for viewing!!
