## **Description**

My name is Tiago Chadinha. I am eleven years old and in the sixth grade at George McParland Elementary. In school my favorite subject is math. I made honor roll this year. Outside of school I play baseball, soccer, basketball, and run cross country. I have also danced with my Portuguese youth group since I was 3-years old.

This is my third year in 4H. I participated in the swine project with Escalon 4-H. In February I purchased my pig from Golden State Genetics in Turlock, California. My pig's name is Messy, and his breed is Hampshire. I have put a great amount of time in raising my pig. My younger brother joined 4-H for the first time this year and because of COVID-19 and not being able to meet with our swine leaders like previous years, I took on the role of teaching him how to exercise and care for his pig.

I would greatly appreciate your support.
