City Elizabeth

Animal Weight (in Pounds) 106

Description

Hi, my name is Liam Hayes and I am a member of the Gold Creek 4-H Club. I am going into eighth grade. This is my first year showing a market goat and I have learned so much from this project. My amazing goat Macaroni has been great! He loves to run, jump, and eat. This project has taught me how to budget, keep records and take care of goats. I've had so much fun this year and I can't wait to see you at the Junior Market Sale. Thank you so much for supporting 4-H!
