### **Description**

Hi! My name is Naphtalie, and I'm a proud 13-year-old member of the Ranchin' Rookies 4-H Club. I've been involved in 4H for three years with rabbits, archery, and air rifle.

This year, I've worked hard raising a healthy and high-quality market turkey for the Elbert County Fair. His name is Harlow Paddy. I've spent time feeding, watering, cleaning, and caring for Harlow to make sure he's well taken care of and ready for sale.

Raising livestock through 4-H has taught me responsibility, dedication, and how to work hard towards a goal. By purchasing my market turkey, you're not only getting a great product—you're supporting agriculture, youth education, and the future of farming.

Your purchase helps fund next year's projects, fair expenses, and my long-term goals, including saving for college and law school. Whether you're buying for your family, business, or to donate the meat to a local charity, your support means the world to me.

Thank you for considering investing in me and my project! I'd love to talk more or answer any questions you have!
