### **Description**

I'm Hayden Fox, this is my sixth year showing steers. His name is Ricky Bobby. I purchased him from a ranch in Wyoming, which I have bought from before. He is raised on a high-quality diet. He's gentle and easy to work with. His favorite thing to do is try to lick my arm when I'm working with him. He also loves to play with his jolly ball. I would greatly appreciate your support with the sale of my steers
