Description

Hi! My name is Annika Edson and I'm excited to share with you the opportunity to purchase a locally raised Broad Breasted White Turkey through my 4-H project. This is my second year selling a market turkey. I've loved learning and growing through doing various projects in 4-H from shooting sports, turkeys and dogs. It has taught me lessons that I will soon use in the upcoming years. The turkeys I've raised this year have come to follow me around and love being curious with me even playing with the barn cat! Thank you so much for your consideration in buying my turkey, and any supports is so greatly appreciated!
