**County** San Joaquin

**Animal Weight (in Pounds)** 1150

**Date of Reported Weight** 05/30/2020

**City** Escalon

### **Description**

Are you looking for a steer that will produce top quality meat? If so, look no further.

My name is Zack Hearn and I have shown swine for 8 years and market beef for 3 years through Escalon 4-H and Escalon FFA. I have learned many important life lessons through these projects, including time management, budgeting, and responsibility.

I am pleased to present my steer, named "Dinner". I have raised him since he was born on my family's ranch here in Escalon. I have included a photo that was taken when he was a couple of weeks old. I knew then that he had the makings to be a great steer.

"Dinner" will be my last steer before going off to Arizona to study Aerospace Engineering at Embry-Riddle Aeronautical University.

This steer has been a learning experience, as it was the first project after coming out of hip surgery last fall. I had to take a more tender and gentle approach in halter-braking him and it paid off. I was left with a mellow, friendly steer that I guarantee will produce high quality meat.

Being in the graduating Class of 2020 has made this animal a very special one, to me as it is my last sale and would have been my last AgFest. I know that this will be a great product and I am happy to present this Red Angus Steer to whomever is in search of a high quality "Dinner".
