### **Description**

Hi everyone! My name is Benicio and this is my 4-H pig Pork Belly!

This is my second year in 4-H, I've spent the last few months raising and caring for him every single day- feeding him, cleaning his pen, training him (some days were better than others), and making sure he's healthy and growing strong. I hope you'll enjoy the top notch quality he will bring to your family to enjoy.

Thank you for your support!

**Quantity:** 235
