Description

Hello I am Tyson Pfof and I would like to introduce my lamb Kevin. Yes, Kevin- because every great lamb deserves a human name and a big personality to match. He's sassy, slightly dramatic, and has been known to strut like he owns the place (and honestly he might!) Raising Kevin has been full of laughs, learning, and a few "why are you in the house moments"- you read that right, the family dog taught him how to enter the house. But though it all, he's grown into a high-quality market lamb who's ready to

bring top notch meat to your freezer. Bid High and Bid proud because who wouldn't want to say that they bought a lamb named Kevin? Your support to the Elbert County youth is greatly appreciated. Thank you- Tyson
