Description

Hi, my name is Arilynn Johnson, I am 14 years old, and this is my 9th year in 4-H. This year I showed my alpaca, dairy goats and market goats.

This is my third year raising market goats. This year I raised 3 bottle babies. After working with bottle babies, I don't know if I will ever go back to purchasing weaned goats again.

Princess Leai has been fun to work with.

Thank you for taking the time to look at my profile, can't wait to see you at the El Paso County Jr. Livestock Auction.
