### **Description**

Hello my name is Kali Hart Johnson

My parents are Layne Johnson and Nancy Preston

I am 12 years old and in the 6th grade

This is my 3rd year showing market swine in Lancer's 4 H.

My pig's name is Bolt because he is big and bulky.

I love 4H and fair time, it is the best being around friends, family, and animals. But don't forget about the rides and fair food ( cotton candy )

I enjoy going to school, hanging out with my friends, and playing on the playground.

I have my Green Belt in Karate and I am training for my black belt .

I plan on using the money from the sale of my market swine project to purchase future market projects and to further my education

Thank You for checking out my project and supporting me, Kali Johnson
