Description

My name is Emily Bavaro and I am a freshman at Montana State University. I have been in 4H for 10 years, this year being my last. My heifer, Dalleigh, is a red Holstein. I am proud to say that she has been awarded the title of 4-H Reserve Grand Champion. I have put countless hours into my project and will be sad to see this nice heifer go. She is from Faria Dairy in Escalon. Her sire is Ladys-Manor Annuity-Red and her service sire is End-Road Deano Town. Her dam's best 305 day lactation produced 29,380 pounds of milk and 1,038 pounds of fat. Dalleigh was bred October 7th and is due July 14th. At 7 1/2 months into her gestation, she is already showing signs of great udder promise.
