## **Description**

Hi my name is Frankie Teicheira IV and I am selling my 4H pig named Skittles. I bought Skittles back in January in Turlock Ca. She is a Duroc gilt. Ever since I was 9 Duroc's have been my favorite type of pig. I love being invovled in 4H and am grateful for the opportunity of being in a memorable ag experience. Skittles is a wonderful pig who I have cared for by bathing, clipping, brushing and feeding while having her. I have spent a lot of time with her and will have many cherished memories of her. Since fair for us is different this year, I hope that I may continue with this wonderful project as i move in to FFA next year. Thank you for your support.
