**Date of Reported Weight** 05/30/2020

### Description

Please visit my website for photos of my market hog project from start to finish

<https://evelynnemadsen.weebly.com/>

We placed first in our market class! What a way to end my very first market project! I am so excited because the champion and reserve champion pigs from my division (crossbreds) went on to win 4-H champion and reserve champion. Then they went on to win supreme and reserve supreme of AgFest. We were up against some fierce competition!!!!

I did apply for an Agricultural Education Scholarship through AgFest, so if you are interested in contributing any amount to my project fund the link is below and on my website.

<https://sanjoaquinagfest.org/agriculture-education-scholarship-donor-form/>

I purchased my gilt from the Small Town Genetics at the end of January. I have learned many things this year while caring for my pig. One life lesson I learned is things don't always go as we plan!

While I am disappointed my first show is virtual I am grateful to the San Joaquin AgFest team for working hard to provide us the opportunity to show and sell.

I will be back next year and hopefully Covid-19 will not be!

**Quantity: 1**
