Description

Hi everyone, my name is Berkley and this is my 9th year in 4-H and 9 years in the Market Swine project. I enjoy 4H and also sew, bake and this year am enjoying the Art of Ranching Project where I am studying my families homesteading heritage. I am very excited for this years market sale and my pig will be a terrific sale item, clean and well fed! YUM BACON! I am a soon to be senior in high school and am making college plans; the money I make from selling my market pig goes towards my college education!
