Description

I am **Nick Vana**. Boy, my pigs name, is a Hampshire barrow of gentle disposition. He will produce juicy, tender meat. I have raised a hog for AgFest since I was nine years old. I will be a junior at Linden High School. My favorite part of high school is participating on the FFA Farm Power Team. I was also the orchard manager last year. I am also involved in Linden Peters 4-H. Currently, I am the Teen Leader for the Community Service Project and a Junior Counselor at 4-H Camp. I work on my family's cherry farm. I do all sort of jobs like fix irrigation lines and sprinklers, control vertebrate pests, control weeds, and load tubs during harvest. Did I mention I have a 3.8 GPA and play football and jump in the track and field events?

I appreciate your support as it helps to cover the cost of my animal, feed, and care. I know college is a huge expense so all support goes directly into my college fund. I want to study agriculture in college.
