### **Description**

Hi, my name is Abigail Gasaway. I am in 4th grade and I attend Mitchell K-6 Elementary School. I am almost 10 years old. This is my first year in 4H and my project is a market goat. I named him Cocoa. I have had a lot of fun learning all about goats and raising him. He has a great personality, is fun, and I have spent a lot of time working with him by feeding him and walking him daily.

I was really excited to show at the Merced County Fair for the first time. I am thankful that the virtual auction is still going on though.

Thank you in advance for your support. I really appreciate it. : )
