Description

This is my fourth year showing swine for Lancers 4-H, and I will be entering 8th grade at Our Lady of Mercy School in Merced. I am showing a crossbred hog, named "Big Bertha," and she definitely lives up to her name. I purchased her on February 2nd and I have been taking care of her, making sure she is show ready. Big Bertha is very friendly and likes her back scratched. Everytime I let her outside of her pen, she goes over to the fence and scratches her back on it. My four older siblings have all shown swine before and like to give me suggestions on what to do. This swine project has taught me responsibility and money management. Even though this year has had some set backs, I hope you have the opportunity to support my swine project. Thank You, Ethan McParland
