### **Description**

I would like to introduce you to my Hampshire, his name is Hogzilla. I purchased him from Small Town Genetics and have owned him for 4 months. He has been very fun to raise. Some of his favorite things to do are to play with my brother's pigs, lay around under his fan, stay cool by his mister (yes he is a very spoiled pig) and **EAT!!** Eating is his favorite.

My name is Cade Vallee, I am ten years old, and I am in fourth grade at Colony Oak Elementary. This is my 3rd year as a member of Farmington 4-H and my first year showing a market animal. And what a weird year to get started with. I have spent tons of time with Hogzilla, training him to walk with his head held high and to follow my commands.

Thank you for taking the time to read my profile and hopefully you will bid on my pig. I plan to use the money to buy my pig next year. He has been a fun project and I can't wait to do

this again. With all my training Hogzilla is in great shape so he will make a great addition to your freezer!
