Animal Weight (in Pounds) 92

Date of Reported Weight 05/28/2020

Description

My name is Isabella Avila, this is my fourth year with Calla 4-H, and I am inviting you to see my market goat project. My goat is a buckling and his name is Joe. I have spent a lot of time with Joe these past few months, due to the virus being in effect. I have walked him, fed him, and worked my hardest. Joe weighs now 92 pounds, and is a very active goat. He loves to play with our dogs and doesn't always wants to practice and walk. Overall he has a great personality.

I will be showing and selling Joe at the 2020 Virtual San Joaquin Ag-Fest Junior Show/ Auction. I would like to invite you to the San Joaquin County Junior Fair Market Sale on Friday, June 12 at 8:00 AM.

I hope I can count with your support and generosity.

Thank you

P.s.: Fun fact, I just won champion on the Showmanship Essay contest, for 4H group. Super excited! See picture and Essay attached.

Quantity: 1
