### **Description**

Meet my wonderful pig "Spotless"! He is a Yorkshire barrow and is my 2nd swine project. I purchased Spotless back in February with my savings from last year's rabbit and swine project.

I have an interest in being a zookeeper, so I felt this experience would provide good skills and experience in accomplishing that goal. I have learned about responsibility and "hard work". I was thankful to have family friends open their farm to allow me to keep my project there and enjoyed going everyday to walk, wash, and take care of Spotless.

Although this has been a weird year with the coronavirus, cancellation of (in-person) school, and the fair, I am thankful for the positive experience and opportunity to continue with my project.

Spotless is expected to weigh between 265-280 on June 17th, so you will be getting the WHOLE package if you would like to support my project! Thank you for your consideration and time. It is appreciated!
