Description

My name is Madelynn Bennett and I am 16 years old. I am a member of the Alpine Victor 4H Club and this is my first year raising a Market Lamb. My lamb's name is Charlie. Charlie and I have been working very hard since I got him in February to make sure that he is ready for AgFest. Charlie is my first project animal and I've learned so much raising him. Also, having a project animal gave me something to look forward to doing while everything else was shut down due to the health scare and as a result, I spent a lot of time feeding, exercising and training Charlie. I really think all of that time spent paid off because Charlie is a great lamb! Thank you to everyone for your support.
