**Validation Tag or Show reference#** 1504

**County** Merced

**City** Merced

**Animal Weight (in Pounds)** 90

**Date of Reported Weight** 05/30/2020

### **Description**

My name is Sydney Tau, I am 17 years old, and a junior at Golden Valley High School. I am part of the Golden Valley FFA chapter and have been active in both school and sports. This season I was a member of the Varsity Volleyball team as well as part of FFA Leadership. I was also a part of the Veterinary Science team; however our season was cut short due to the pandemic when schools were closed in March. I really try to put everything I have into FFA and attend as many events as possible. I love this program and everything it has taught me so far.

This year I have a meat goat SAE project. This would have been my fourth year showing goats, however due to the COVID-19 pandemic the Merced County Fair has been cancelled. This has been a tough year for many of us high school kids. We have had to adjust to new things such as distance learning, social distancing from our friends, and working out with our sports teams via zoom meetings. It has been an interesting new

experience to say the least. We are very lucky to have such great FFA advisors that have worked to hard to keep things going for us.

Thank you so much for taking the time to read my discription and your consideration of purchasing my meat goat SAE project.

**Quantity: 1**
