Description

Hello! My name is Aalyah Ramirez, I am a four year member of the Tokay FFA chapter and I am currently serving as this year's chapter Vice President. As a senior, I wanted to make the most of my last year in the program by raising a market animal. Through this experience, I have learned dietary importance, animal husbandry, and the steps to take to work for the best product. I have exercised my lamb, gave her a balanced diet, and cared for her over the course of two months. On May 28th, she weighed 113 pounds. With the funds gained from this project, I will use them to support my new chapter of life as a Delta College student. Thank you for your support!
