**County** San Joaquin

**City** Linden

**Animal Weight (in Pounds)** 62lbs

**Date of Reported Weight** 05/22/2020

### **Description**

Meet my market goat, Dixie! She is a Boer doe that weighs 62lbs. I acquired her from a breeder in Lodi, California this past February. Dixie has taught me that animals are in fact something that takes a lot of responsibility and time. I had to get into a new habit of waking up earlier to feed her before school and make sure to get home on time to feed her in the afternoon. I also had to make time to wash and walk her once in a while. I was always making sure that she was okay and had everything she needed at all times!

My name is Daniela Alvarez and I am 16 years old and currently a junior at Linden High School. Dixie is my first ever market goat that I have raised. I am an active member of the Linden FFA club. Three of my greatest accomplishments are receiving my chapter degree, being awarded Star Chapter Farmer, and being selected to be chapter treasurer for 2 years in a row. Outside of FFA, I am very active with my school and

community serving as sophomore class vice president, junior class president, LUSD student trustee, and the 2020-2021 ASB President! I've had Dixie for almost 4 months now and it has been a great experience!
