Description

Hello, my name is Jena Higginbotham. I am a Freshman at Golden Valley High School in Merced, CA. Not only am I part of FFA, but I take part in Track/Cross Country, Volleyball, Trap, volunteer with FFA events, and a volunteer youth volleyball Coach at a local Church. However, most of my time has been put into my FFA Chapter. I have been very active in my role as an FFA member which lead me to receive many awards. Such as: Green Hand Degree, Scholastic Achievement Award for 3.5 or higher GPA, Outstanding Freshman Ag Science Award, Creed Speaking Competition Award, and received 6th place with POA (Points of Activities) with Golden Valley FFA. As well as, choosing my first SAE project; I chose to show a market lamb. My lamb, Carl, is a market wether. He is a Dorset (AOB) he is big boned, has a strong pastern, with muscular forearms and smooth shoulders, has a long leveled rump, has 2/10% body fat, and weighs approximately 140 pounds. Carl took 4th place Overall Market Lamb and Champion AOB in the Shelter in Showdown on June 10, 2020. My duties consists

of feeding him the best quality feed, cleaning his pen two-three times a week, and keeping him clean. I really appreciate you considering purchasing my market wether. Thank you!
