Description

Hello potential buyers! My name is Kayla Rocha and this is my market lamb Rip. I belong to the Tracy FFA chapter and this will be my 9th year raising and showing sheep at county fair. Like ever other year I always choose a name from either a movie or TV show. This year I named my lamb Rip after a character on the TV series "Yellowstone." Each day and night I would go out to feed Rip and exercise him to get him into show ring shape. He got 1st in his class in the virtual show! I am extremely grateful to have the opportunity of raising and showing livestock and learning the many life lessons that come along with it. Thank you in advance for your support!
