Description

Meet Buzz! My name is Mya Rocha, I am apart of New Jerusalem 4-H, and this is my first year showing sheep. I have shown goats since I was 9 years old and decided to change it up this year and try sheep. Although I am bummed it will be a virtual show, I am glad I chose to show a market lamb and try something different. This year with Buzz I learned how different it is from showing a goat compared to a lamb and how rewarding it could be to try something new. I even got 1st in my market class with him! I am thankful to have the opportunity to raise and show livestock and learn the many things that come along with it. Thank you in advance for your support!
